At NOIC Academy, we go beyond academics to foster holistic student development. Our commitment to education leadership is evident through diverse extracurricular activities and volunteering opportunities. This goes beyond traditional learning to shape well-rounded individuals. Our goal is to equip students with essential skills and values, preparing them to confidently overcome future challenges.

NOIC Academy provides an enriching learning environment with state-of-the-art facilities and laboratories, elevating the educational experience to prepare students for the future. We are committed to nurturing individual interests and hobbies, offering access to a well-appointed library, a spacious gymnasium, and a soccer field.

WHY NOIC

ACADEMIC EXCELLENCE:

20 years of excellence, with NOIC students boasting an impressive 80%+ acceptance rate at the University of Toronto. Offering both IBDP and OSSD courses.

SKILLS DEVELOPMENT:

Beyond academics, NOIC hones leadership, critical thinking, and a spectrum of skills. We mold well-rounded individuals, fully prepared for success in all facets of life.

PREMIUM SERVICES:

Our One-on-One Mentoring program ensures each student has a dedicated mentor for continuous support, with 24/7 responses from experienced Guidance Counselors.

DINING AT NOIC

Experience delightful dining at NOIC, where our intricately designed menu emphasizes both variety and health. Our dedication to nutrition ensures students can indulge in a range of well-balanced options, contributing to their overall well-being.

RESIDENCE AT NOIC

Students enjoy comfortable accommodations at Don Valley Hotel, fostering a safe and pleasant living environment. Each unit is designed for two students, featuring separate beds, individual writing desks and shared bathroom facilities for privacy and relaxation. Students have access to a gym, pool, and a versatile multipurpose room for activities and dining, ensuring a pleasant living environment conducive to both study and leisure.
